

This is the inaugural vintage of Sonas, the blend formerly known as Ulysses. It is the 8th vintage of our singular 'right-bank' blend from Sheridan Vineyard. Aromas of crush black fruit, wet stones, earth and spices dominate on the nose. A silky texture laced with rich tannins that carry the dark-toned flavors of blackberry, currants and black plums to the mid-palate notes of blueberry, espresso and leather. The overall impression of Sonas is of a unique wine that is instantly discernible as Sheridan.

**Origin of Grape:** Sheridan Vineyards was established in 1996, and started with Cabernet Sauvignon, Cabernet Franc, and Syrah grapes.
