

Intense, dark ruby/purple in the glass, this latest O•S bottling has vibrant aromas of blackberries, cassis, minerals and forest. The texture develops from a round, soft attack to a more chewy mid-palate and to a powerfully structured finish with rich full tannins. There are flavors of crushed black fruits with a touch of toasty oak, and a deliciously savory finish

Origin of Grape: Elephant Mountain Vineyards, Yakima Valley, Washington

Composition: 100% Elephant Mountain Cabernet Sauvignon
